COVID-19 TESTING AND VACCINATION INFORMATION
Lincoln County Health Department

COVID-19 vaccinations will be available by **APPOINTMENT ONLY**. Those who fall into the eligible phases must call the health department to make an appointment. Please note that appointment availability will solely depend on the amount of vaccine that the health department receives each week.

As of Thursday, January 7th, the Lincoln County Health Department has depleted their supply of COVID-19 vaccines and no appointments are being made for the duration of the week. Once the health department receives the next shipment of vaccines, the community will be notified. Updates about vaccine availability will be provided through various media outlets. When appointments are available for Lincoln County, the scheduled times for drive-through vaccinations will be:

Mondays, Wednesdays, and Fridays starting at 9:00 am until 3:00 pm.

Drive-through COVID-19 testing is being held at the Lincoln County Fairgrounds:
Tuesdays and Thursdays from 9:00 am until 11:00 am.
Self-administered COVID-19 tests are available **Mondays, Wednesdays, and Fridays** at the Lincoln County Health Department between the hours of 8:00 am and 3:00 pm. Please call 931-433-3231 upon arrival to request the self-testing kit.

The county site for COVID-19 testing and vaccinations is located at the Lincoln County Fairgrounds and will remain as a drive-through service until further notice.
Please enter through the front gate of the fairgrounds on Hedgemont.
